Home Financing Policy – Sound and Economical Determination

The following Home Financing Policy – Sound and Economical Determination and Alignment with the FHLB System Mission are only required for institutions not subject to the Community Reinvestment Act (CRA). If your institution is subject to, and has received a CRA rating, please provide documentation regarding that rating and disregard the following sections.

A requirement for FHLB applicants outlined in 12 CFR§1263.6 (a)(6) requires applicants demonstrate their “home financing policy is consistent with sound and economical home financing.” While there is no formal regulatory definition on what constitutes “sound and economical home financing,” FHLBank Indianapolis requires the following parameters to be demonstrated in the submitted home financing policy to qualify as “sound and economical”:

- 1) **Underwriting Standards** – Guidelines or selection criteria for originating or investing in home loans and/or residential investment transactions (e.g. RMBS purchases).
- 2) **Risk Management Practices** – Risk management activities taken to ensure the home financing activities are being done in a safe and sound manner.
- 3) **Compliance with Laws and Regulations** – Home financing transactions must comply with all applicable laws and regulations.

An applicant that does not have a formal home financing policy may provide separate procedural or policy documents that will serve as a “de facto home financing policy” provided they contain and demonstrate the three core parameters outlined above.

The following questions and responses will assist in supporting the basis for determining if the applicant’s home financing policy (or de facto home financing policy) is “sound and economical.”

- 1) **What policies or procedures, if any, have the applicant adopted that address how the applicant finances or invests in housing-related assets that are consistent with sound and economical transactions?** Examples include mortgage loan underwriting guidelines, investment selection criteria, consumer protection and fair housing guidelines or other similar policies or procedures. Please list and provide copies of all relevant documents to the Bank:

- 2) **Does the applicant have underwriting standards or selection criteria for their home financing transactions?** ☐Yes ☐No

In general, please describe these standards and note where these references are located within your policy or procedural documents:

- 3) **Does the applicant have risk management practices in place to adequately manage and control the risk associated with their home financing transactions?** Examples can include stress testing, reporting to senior management, loan/investment reviews, concentration limits, etc. ☐Yes ☐No

In general, please describe these practices and note where these references are located within your policy or procedural documents:

- 4) **Does the applicant abide by all applicable laws and regulations when engaging in their home financing transactions?** ☐Yes ☐No

In general, please describe how the applicant abides by applicable laws and regulations and note where adherence to these laws are located and referenced within your policy or procedural documents provided with this application:

- 5) Does the applicant engage in any “non-traditional” lending or investment activities such as subprime lending, non-qualified mortgage lending, investment in private-label RMBS or other alternative residential lending or investment activities?

“Non-traditional” home financing activities are acceptable to engage in provided they controlled and managed in a safe and sound manner. Please describe the additional risk mitigation controls taken for these types of activities. Examples include more conservative underwriting standards or selection criteria, additional or increased frequency of reporting, or other efforts that help mitigate the additional risk these activities exhibit.

- 6) Has the applicant [or any of its affiliates] ever been cited, fined, or received any complaint or notice or communication [from any governmental authority] alleging violation of, or noncompliance with, any legal requirement concerning any fair lending laws or regulations, including, but not limited to, the Fair Housing Act, Equal Credit Opportunity Act, Regulation B, and all other applicable laws and regulations? ☐Yes ☐No

If yes, please explain and provide copies of all relevant documentation to the Bank.

If yes, have all such violations or noncompliance been cured or otherwise satisfied in full?

☐Yes ☐No
